The moodboard consists of a grid of images including a woman, a plant, a chair, a hand holding a glass, a slice of watermelon, and a building facade. A central image of a woman is selected with a purple border and a white selection box. A toolbar above the moodboard includes options for "Επεξεργασία εικόνας", "Περικοπή", "Αναστροφή", "Κίνηση", "Θέση", and "Κοινοπ.". A search bar at the top left contains "Αναζήτηση Photo Collage (Portrait)".

The left sidebar shows search filters for "Fashion", "Food", "Halloween", and "Kids". Below the filters, there are sections for "Πρόσφατα χρησιμοποιημένα" (Recently used) and "Όλα τα αποτελέσματα" (All results), each displaying a grid of image thumbnails. The "Όλα τα αποτελέσματα" section shows two distinct moodboard designs, one with the text "my summer vacation" and another with "Family".

At the bottom of the workspace, there is a button labeled "+ Προσθήκη σελίδας" (Add page). The bottom status bar shows "Σημειώσεις" (Notes), a zoom level of "55%", and the date and time "22:52 16/10/2022".
